

1 **5.3.13 Hazardous Materials**

2 | The Land Exchange Proposed Action and the Land Exchange Alternative B would not include
3 operations or activities that involve the use of hazardous materials on federal or non-federal
4 lands beyond those activities specific to the NorthMet Project Proposed Action described in
5 Section 5.2.13. AOCs associated with legacy contamination by hazardous materials from former
6 activities and operations on these lands are discussed in Section 5.3.1.
