Subject: Special Executive Council Meeting - October 25, 2013

A special executive council meeting has been called for Friday, October 25, 2013, 9:10am to take up the discussion on the Department of Natural Resources' request to approve issuance of 31 non-ferrous metallic minerals leases which was tabled at the December 6, 2012, executive council meeting pending a decision by the Court of Appeals. The meeting agenda will be sent one-week prior to this meeting.

Please let me know if your Executive Council member is available to meet at this time.

Thanks,

Hi Commissioner, Winnie and Kathy:

Please meet Joe, my new Executive Assistant and Policy Aide. He will be taking over Jen Gates' former responsibilities and taking on additional matters as well.

Joe can send you all of his contact information, but I wanted to send you his email so you can include him in future Executive Council emails and correspondence.

I spoke to Deputy AG Christie Eller and we recommend that notice of the October 25 meeting be published in the State Register on Monday, October 21. Winnie and Kathy, would you please help with this request?

Notice of the meeting can be in the same format as prior special meeting notices, and according to the State Register publication calendar must be submitted to the State Register by noon on Tuesday October 15 (for publication on Monday, October 21).

Thanks for your help and please let me know if I can be of assistance.

Best,
Micah
