Good Afternoon Mr. Ehling,

This message is in reference to your FOIA Request 2014-1505 requesting for a copy of all records related to: 2012-CSA-65-COA issued to the Minnesota Army National Guard; 2012-CSA-74-COA issued to the University of North Dakota; and certificates of operation issued to the United States Customs and Border Patrol to operate UAV aircraft within the state of Minnesota. I apologize for the delay in responding to your FOIA request. Due to additional time needed to complete the research in your case, your FOIA request is still being processed. We are currently processing your response letter. An additional 30 days (weekday) extension from April 8, 2014 is requested to complete your FOIA request. A new due date of May 20, 2014 is requested to complete your FOIA case.

Please reply back and acknowledge to this extension.

Thank you for your patience and understanding.
