Subject: FW: EPA comments on the NorthMet GoldSim Model Review
Attachments: EPA Review of GoldSim 4-6-2013.pdf

Al and Dave, attached please find USEPA's comments on GoldSim.

We'll need to review these along with the Barr team to establish what requires any changes or modifications (if any) are warranted based on what USEPA has identified.

Thanks. Bill.

Bill Johnson, Mining Section Lead
Environmental Policy & Review Unit
MDNR Division of Ecological & Water Resources
