Hi Dave,

The first page is the overall process, the second a blowup of the realistic results check process. If there is something else you need let me know.

Erik

Subject: Goldsim Water Modelling Process flow chart

Erik

Can you send me the latest version of this flow chart? we want to include it in the QA/QC Workplan document that ERM has been asked to revise and resubmit today. last version I have is dated jan 12th, but I understand there is a more recent version

Many thanks
