Subject: NorthMet Required Model Updates
Attachments: NorthMet Required Model Updates.xlsx

During our meeting on Wednesday, it was requested that Barr prepare a list of changes that need to be made to the NorthMet GoldSim water quality models the next time they are updated. Attached is the current list of changes we are aware of. If there are other changes that you believe need to be made, please let us know ASAP as we will be updating the models early next week.

Thanks,
Tina
