Elena,

Attached is a redline showing modest changes. Let me know if you want to talk about them.

I'd like to, again, thank you and Michael for finding time to meet. It was very helpful and we look forward to the upcoming coordination meeting. Just to make sure we are on the same page, regarding reaching out to other agencies:

--- You will reach out to Brenda Halter; do know that I meet with her next Tuesday and it might be a good thing to have you conferenced in for at least part of that meeting – let me know if that would be helpful.

--- I will reach out to Minnesota Department of Natural Resources (DNR) and Pollution Control Agency (PCA); more specifically, Jess Richards (assist. Director of Lands/Minerals) and Joe Henderson (direct report to Jess) at the DNR; I'm not quite sure who yet at PCA.

Please do not hesitate to call me if you have any questions.

Best regards,

Dan
