Ginny and Tom – I don't know if Mark talked to Jim about that. Tom, do you know?

Jim – See the e-mails below. Can you touch base with Ginny about her concerns? Thanks.

Has anyone talked to Jim about that section of the report?

Does he know that I/we have concerns that the narrative of that section doesn't accurately interpret the grievance data regarding access?

Ginny—

Sorry, didn't get around to looking at this until now. Yes, the access complaint tables have been included in the first draft.

As I told you last week, Jim will be vetting this before it goes to the Legislature. He's had it for several weeks now, but we've gotten no comments back from him yet. (The due date was February 15).

To check final draft of mgd care study -- see if Access Grievance table and conclusions are still in the report.

Thanks.

Ginny Prasek.
