Sorry! I completely blew that one, too much going on..

I will reschedule for May 1 if possible—my rationale was that you would have had some conversations with some MCOs by then and you might want to discuss something they said with Jim.

Hi Tom,

Hi Rich—

Spoke with Mark and told him about our conversation. He said he didn't really have anything he wanted to add, except he wanted you to have a copy of the "Segal report" as it's become known around here (attached).

I have asked Jim Golden's secretary for some appointment times next week that he'd have available to meet with you. I'll let you know when we get something set up.

Tom
