The bcbs and hp requests don't seem unreasonable. Can we let pcg know that we are ok with another week on this, and also that their timeline on deliverables will be adjusted accordingly?

Subject: Value of Managed Care Report request

Good afternoon,

Liz forwarded me your email requesting data by Friday on a wide variety of our member support programs and incentives. The request is asking for data by annual volume, and by number of members served. We will make every effort to get this to you in an expeditious manner, however the specific information you are requesting is not readily available and will require some time to pull together. We are requesting at a minimum, an additional week to obtain the information.

You can use me as your internal contact at Blue Cross going forward.

Regards,
Stacia
