Hello,

Spoke with Rich Albertoni and he said they would be happy to do the presentation if that is our request. I am going to work on getting a little more detail on exactly what Senator Sheran is looking for. He also mentioned that as we get closer it would be good to have a conversation with us on how we may want to see the presentation go.

Scott--would you like me to request some time for you to have a response to the report?

Thank you,

-Diogo

Good morning all,

Senator Sheran is having a committee hearing [on September 26<sup>th</sup> at 10am](#). The agenda includes an overview of the PCG report. Last year we had Segal do a presentation on their report. Are you interested in following that model or would one of you two prefer to do the presentation?

Thanks,

-Diogo

In case you are curious, here is the full agenda:

  - ii. Chemical and mental health integration into health care update (phases of implementation)– Dave Hartford
