Scott,

Checked with Amy and the Commissioner is out of town the day of the committee. Looks like Jim is the lucky person.

I return on the 27th (actually the 26th but I'm not in until that night at like 9 pm). Jim might be the lucky person; I actually think Cindy might prefer to do this herself, since the messages and framing will be broad. Can you work with Dellwo to see how we wish to play this?

Good morning Scott,

As you know, Senator Sheran's hearing on the PCG report is scheduled for September 26th. If I remember correctly, you return on the 27th. Is the plan to have Jim do the DHS reaction?

Thanks,

-Diogo
