Katie I believe that in the call with the plans Scott agreed to release an embargoed copy to them prior to release so they could read and act more intelligent if the Media would inquire. We could likely satisfy if we send to the council and each CBP let me know if you have issues or need help

Hi Rich –

Wanted to touch base with you quickly on the value report. We are considering this report as complete. However in my last review I did notice some copy editing that needs to be done. We'll release the version we got from Coy on 9/19 tomorrow in preparation for the Thursday hearing but if you want to do a final review for those kind of copy editing issues we will post the cleaned up version on the website. Please let me know if you have any questions or concerns.

Thanks –

Katie
