Tim/Mike/Matt –

In the CC line is [REDACTED] - our PAO. She is going to schedule a “joint” PIO meeting for Thursday afternoon 17 July which she & I will attend. The intent will be to plan deliberate media strategy for the RUT. I am requesting you guys attend (Tim I realize you are out – please send a rep) as I want a SWAT guy tied into your PIO in case they start going “off the script” I have someone who I am working with to choke/I mean to action it.

·ytime after 1300 on Thursday.
