Tim/Mike/Matt

See attached schedule. We are requesting you coordinate events in your city unless annotated DOD will coordinate. We kept in mind the All-Star game and Tim's travel for the scheduling. We will have a fairly large group (at times up to 20) for some of the sites – we have our own transportation covered. Let me know if I know of any questions or concerns.

Note:

Change 1 to the LEO Training schedule:

Range Training – All remains on ST Paul police range

St Paul PD Wednesday 13 August 1430-1730

Minneapolis PD Wednesday 20 August 1430-1730
