I just read story about how your heroes playing Seal Team 6 saved the world by making a No Knock weed bust, where all you found was a used bong and you shot two family pets in the process. Great going you Nazi thugs, your steroid ripped death squad goons must be off having a beer and telling each other stories of their bravery. I hope you all have many badges covered with black tape and hear lots of Amazing Grace played on the bagpipe in the future. Death to Nazi thugs!
