Hi David

How are things going out in Minnesota? It's my understanding that the governor has called a special session that started this afternoon.

I just wanted to take this opportunity to remind you that the State has not yet formally accepted the PMAP+ renewal STCs that were approved by CMS on June 30, 2011. As stated in the approval letter (attached), the award letter is subject to the receipt of your written acceptance of the award within 30 days.

Please feel free to contact me if you have any questions about this requirement.

Thank you, and I wish you the best of luck during the remainder of the shutdown.

Jen
