Subject: PMAP+ and Minnesota's combined health care application form

Hello Jen -

As a follow-up to our meeting on Wednesday, I'd like to pass along the following information regarding the HCAPP form.

The agency typically does not amend the form more than once a year. This minimizes printing costs. This also minimizes potential confusion for county agencies, so providers and advocates that can be caused by multiple revisions. The next time the form is expected to be modified is early 2012. There are no changes expected that relate to "informed choice" provisions discussed at STC 23 of the PMAP+ waiver.

We're recommending that this item be removed from the monthly check-in agenda.

Thanks,

Gretchen
