Richard,

Please find a reworked paper outlining the outstanding issues as well as a revised spectrum chart that could accompany the paper.

Thanks,  
Jessica

You all were working on something for issues, yes? (and Jess I think you had worked up something along just these lines a few weeks ago...)

Vikki et al,

Cindy asked if you could please do an update on the MN PMAP waiver negotiations for Issues on Wed. Could you do paper similar to the schematic you did for AZ where you had a continuum of things they asked for and what we are willing/able to do?
