Subject: OMB and MN Comments to MN Agreement Letter

Cindy and Vikki,

Please find the attached letter that contains comments from both OMB and the State. There was no overlap in their comments so I used OMB's document as the base and added the State's comments to it. Any track change under my name represents suggestions from the State. There are 3 items worth flagging for you:

1. OMB believes that (b)(5)

2. (b)(5)

3. (b)(5)

Also, OMB would like to see the revised letter before we formally send it out. The State has asked that we send the signed letter to them COB tomorrow. I'm leaving the office now as I've been making my car pool wait for me, but I'll be available as soon as I get home in case there's anything that you all need me to do this evening.

Thanks,
Jessica

Cindy and Vikki,

I heard back from Dan, and he made mostly editorial changes, but there are 2 items that I wanted to flag for you both before I sent it out to OMB and the State:

1.

(b)(5)

2.

I'm attaching the revised draft with Dan's track changes for your reference. If you are ok with items 1 and 2 above, I'll go ahead and send this out to both OMB and the State.

Thanks,
Jessica
