Thank you for attending Minnesota CLE seminars. Listed below are the seminars our records indicate you have attended between 7/1/99 and 4/17/02. Please note that the courses listed are only those you have taken with Minnesota Continuing Legal Education. Seminars you have taken from other sponsors are not listed. Furthermore, we do not keep track of section or committee meetings, such as luncheon meetings, which may have received credit.

Attorneys must earn 45 total hours of credit, of which at least 3 must be Ethics credits, and at least 2 must be Elimination of Bias credits. No more than 6 hours may be claimed for Law Office Management credits. If you earn more than 3 hours for Ethics, or more than 2 hours for Bias, those extra hours still count toward the 45 hour total. Excess hours of LOM credit, however, do not. If you have any questions about the information listed below, please contact our office at (651) 227-8266 or toll free at (800) 759-8840.
