RE: FOIPA requests numbers 964138 and 964139

To whom this may concern,

I am writing to request an appeal of the decision to exempt materials that I requested under FOIPA.

In addition to an appeal of my FOIPA request, I would like to receive additional clarification as to the reasons that these materials have been exempted from FOIPA. The Title 5 subsections that Mr. Hardy provided with his last correspondence are numerous and broadly defined, and no specific subsection was cited as a reason for the exemption. Because of this, I would like to receive clarification as to which of these subsections constitutes the reason for the exemption of my requested material.

I look forward to your correspondence regarding this matter.

Sincerely,

Matt Ehling
