Mr. Ehling,

I am writing in response to your letter of August 13, 2012, requesting "the date by which [OLC] is planning to respond to request FY12-079." We expect, but cannot promise, that your request will be processed in the next few months. We are unable to provide a more specific date at this time. We have received and have been processing a large volume of FOIA requests in recent years. We make our best efforts to process each request promptly in the order in which it was queued, consistent with the other responsibilities of the Office.

Bette Farris
