Subject: Challenges of EPA's Approval of Mesabi Variance
WaterLegacy, Fond du Lac and Grand Portage have filed appeals to the EAB challenging EPA's approval of the variance. We heard MCEA might also file an appeal. Gary Prichard/Barbara Wester in our legal office have contacted MPCA attorneys and sent them the appeals. If you haven't seen them, I will ask Dave Pfeifer to forward them to you since I can't forward just the documents to you on my blackberry. We will need to have conversations in the future after we've had a chance to review the challenges and discuss them internally.
