RE: Freedom of Information Act Request

Dear FOIA officer,

This is a request under the Freedom of Information Act (5 U.S.C. § 552). I request that copies of the following public records be provided to me:

1. Any and all agency records related to training operations conducted by the United States Special Operations Command within the cities of Minneapolis and Saint Paul, Minnesota between August 1, 2012 and September 6, 2012, including any and all written and/or electronic correspondence related to such training.

In order to help you determine my status for the purpose of assessing fees, you should know that this request is made as part of news gathering, and is not for commercial use. Responsive files will be shared with researchers, journalists, and the public, and will not be licensed for profit.

I am seeking a waiver of fees for this request, since the public dissemination of the requested materials will aide the public's understanding of your agency's practice of conducting training exercises in domestic, civilian population centers.

If my fee waiver is denied, I am willing to pay fees of up to \$100.00 without prior notice. If fees are estimated to exceed this amount, please notify me first.

If this request is denied in whole or in part, please notify me of the legal basis for the denial, as well as all appeals procedures available under law.

I can be contacted at 651-335-2037 or info@publicrecordmedia.com if you need to

discuss any aspect of this request.

Sincerely,

A handwritten signature in black ink, appearing to be 'M. Ehling', with a long horizontal flourish extending to the right.
