Council Members
Brooklyn Center, MN 55430

Dear Council Members,

We are the customers of Asia Supermarket. Not all of us are from Brooklyn Center but we are the consumers that help pay your taxes and initiatives. We are here to voice our concern about the closure of Asia SuperMarket. We believe that if this location is closed our quality of life here in Brooklyn Center and neighboring areas will be affected tremendously. If this location is closed we will all be forced to travel to many distances for food. This is inhumane and unjust to us all. As your constituents, residents, and neighbors we ask that you continue to preserve Asia SuperMarket within this community.

Sincerely,
