RE: Confirming receipt of requested materials

Dear Special Agent Evans,

I am writing to confirm the receipt of materials requested from your agency, via my Minnesota Government Data Practices Act (MGDPA) request of January 24, 2010. I appreciate the timely nature of your response.

I have reviewed the materials, and have one final area of inquiry to resolve before completing research on my article. As we discussed in our late December phone call, I am seeking to visually confirm particular wound locations on Mr. Kowalzek's body. Since full-body images of Mr. Kowalzek have been redacted from the DVD you provided, as well as from the photographs sent previously, I have not been able to conduct a visual inspection of the wounds.

To achieve this task, I am seeking to inspect the redacted data. Per our December phone conversation, I will be making another MGDPA request in aid of such inspection.

Thank you for the attention you have given to this matter, and please feel free to contact me with any questions at 651-335-2037, or at info@publicrecordmedia.com.

Sincerely,

Matt Ehling, President
