Dear Ms. Peterson,

On March 30, 2012, your agency provided me with copies of documents responsive to Item 2 of my Minnesota Government Data Practices Act (MNGDPA) request of October 10, 2011. I have reviewed these copies, and now consider Item 2 of my MNGDPA request to be fully resolved.

If you have any additional information about Item 8 of my request, please let me know. If there is no additional information, I will consider that Item to be resolved as well, once I have heard back from you.

Thank you for your attention to this matter

Sincerely,

Matt Ehling
