**CERTIFICATION OF  
CALENDAR YEAR 2012 BIDS BY  
UCARE MINNESOTA  
FOR MEDICAL ASSISTANCE AND MINNESOTACARE  
IN THE SEVEN COUNTY MINNEAPOLIS-ST. PAUL AREA**

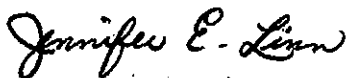

I, Jennifer E. Linn, hereby certify that I am a Member of the American Academy of Actuaries. I am familiar with the requirements for preparing Medicaid bid submissions and meet the Academy's qualification standards for doing so. These bids have been prepared for the Minnesota Department of Human Services (DHS) to provide benefits under a contract with UCare Minnesota for calendar year 2012 for Medical Assistance (MA) and MinnesotaCare recipients in Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington counties. The term "bid" in the context of this certification refers to the actuarial pricing of a benefit package (as defined in the Request For Proposal).

I hereby certify that, to the best of my knowledge and judgment, the entire bids identified in this certification are in compliance with the applicable laws, rules, calendar year 2012 bid instructions, current DHS guidance, and also comply with the appropriate Actuarial Standards of Practice. In making this statement, I certify that:

- The data and assumptions used in the development of the bids are reasonable for the benefits provided.
- The data and assumptions used in the development of the bids are consistent with the organization's current business plan.
- The bids were prepared based on the current standards of practice as promulgated by the Actuarial Standards Board of the American Academy of Actuaries.
- The proposed 2012 rates are adequate to provide all contracted services, pay administrative expenses, and provide for a modest contribution to reserves.

In preparing these bids, I have reviewed any data and assumptions provided by reliance for reasonableness and consistency, in accordance with ASOP No. 23.

The impact of unanticipated events subsequent to the date of this bid submission is beyond the scope of this certification.
