RE: Your Minnesota Data Practices Act Request dated November 26, 2013

Dear Mr. Ehling:

Thank you for contacting the Minnesota Department of Human Service ("DHS"). Recently, we received a request for data that you originally sent to DHS in February 2013. The current request has been forwarded to those persons at DHS that may have data responsive to your request for data. When I have been contacted regarding the availability of the data requested from the responders I will contact you to discuss your opportunity to review the data, and to let you know if there is any cost associated with retrieval of the data.

Sincerely,

Kenneth Parsons, Esq.
