Dear Ms. Moore,

This is a request for access to public data under the Minnesota Government Data Practices Act, Minnesota Statutes, Chapter 13. Through this request, I am seeking to inspect and/or copy materials that may be held by your governmental entity.

I am seeking any and all public data related to the following items:

1. Data regarding training operations conducted by the United States Special Operations Command, or any other component of the United States military, within the city of Saint Paul between August 1, 2012 and August 28, 2012, including any and all correspondence related to such training;
2. Correspondence between the Saint Paul Police Department and any component of the United States military between January 1, 2012, and August 28, 2012, to the extent that such correspondence is distinct from data responsive to Item 1 of this request;
3. Correspondence between the Saint Paul City Attorney's Office and any component of the United States military between January 1, 2012, and August 28, 2012, to the extent that such correspondence is distinct from data responsive to Item 1 of this request.

If responsive data are found to exist, I would first like the opportunity to inspect such data, prior to identifying specific sub-sets of data to copy.

Please consider this letter a formal request for the indefinite retention of the requested data, pending the resolution or reclassification of its status.

As required by section 13.03, subd. 3. paragraph (f) of the Minnesota Statutes, I am

requesting that in the event that any portion of this request is not granted, you certify in writing that the request has been denied, and cite the specific statutory section, temporary classification, or other provision of law upon which the denial was based.

This request is made as part of news gathering, and is not for commercial use.

Please feel free to contact me with any questions or clarifications regarding the scope of this request. I can be reached at 651-335-2037 or info@publicrecordmedia.com.

Sincerely,
