Re: Data Practices Request dated July 21, 2015

Mr. Ehling:

Washington County has received the above dated data practices request in which you make request for its current records retention schedule.

Washington County has adopted the state's recommended schedule for counties. You can find the same on-line through the Minnesota Historical Society web portal. If you desire to review a hard copy this document is available for inspection during normal business hours at the Office of the Washington County Attorney. You may contact me to schedule the same at a mutually convenient time.

If you wish to have a copy of the document mailed to you Washington County requires prepayment of the costs of copy and mailing. The schedule is about sixty or so pages and the cost is ten cents per page plus mailing costs. I can provide a specific price if you so desire.

Very truly yours,

PETE ORPUT, COUNTY ATTORNEY
WASHINGTON COUNTY, MINNESOTA
