Hi Sheila --

Following up on the below, I'd very much appreciate an update. May I advise PRM to plan to pick up the materials this coming Monday the 10th? Given that we identified already-pulled hard copies for pickup over two weeks ago, and that much of the remainder is electronic, I hope that would be plenty of time for turnaround -- particularly considering the looming public comment period expiration.

PRM remains ready to reimburse the search/copy expenses as discussed. Thank you in advance for your response, and for your attention to this matter.

Sincerely,

JT

JT,

You can work directly with Gloria Johnson, DNR Lands and Minerals, to arrange for the delivery of the check and to pick up the documents. Gloria will let you know the final dollar amount, including the .25 per page for hard copies. Gloria is copied here, so you have her email and her direct phone number is: [REDACTED].

Best,

Sheila
