Dear Ms. Millard,

Thank you for your letter of June 26, 2015 in response to my Data Practices Act request dated June 22, 2015.

I appreciate the reference to the MNSure budget materials that are available on the MNSure web site. In order to fully understand the expenditures indicated in my request (in particular, the call center expenses listed in Item #2), I will need access to more granular spending information than what is currently available on-line. Please feel free to call me at 651-556-1381 if you would like to discuss this further. Through our discussion, we may be able to identify the most pertinent data, thus reducing staff search time.

Sincerely,

/s/Matt Ehling
