I am requesting access to government data under the Minnesota Government Data Practices Act (Minnesota Statutes, Chapter 13). Through this request, I am seeking to inspect and/or copy public data created, produced, received, maintained, or disseminated between Oct. 1, 2015 and Oct. 31, 2015 related to the following:

- Any and all correspondence during the month of October from/to the mayor of St. Paul, and also any and all correspondence from/to the staff of the St. Paul mayor's office.

If responsive data are found, I would first like the opportunity to inspect such data, prior to identifying specific sub-sets of data to copy.

Please consider this letter a formal request for the indefinite retention of the requested data, pending the resolution of its status.

As required by section 13.03, Subd. 3(f) of the Minnesota Statutes, I am requesting that in the event that any portion of my request is not granted, you certify in writing that the request has been denied and cite the specific statutory section, temporary classification, or other provision of law upon which the denial was based.

This request is made as part of news gathering, and is not for commercial use.

Please feel free to contact me with any questions or clarifications regarding the scope of this request. I can be reached at 651-556-1381, or by U.S. mail.

Sincerely,
