Mr. Ehling,

I apologize for the continued delay, but I have been out of the office since November 30th [REDACTED]. I recently started back at work on January 7, 2016. My cases could not be given to another FOIA Analyst as our office has been short staffed for the past several months. I also cannot give any estimated delivery date on the Forest Service's response at this time.

If you have any questions regarding your request, please contact me. You may also contact my supervisor Raynell Lazier at [REDACTED]

Please be advised that the WO FOIA Service Center has a backlog of pending FOIA requests and appeals. We are diligently working to process each request and appeal in the order in which it was received.

Your patience is  
greatly appreciated.
