Matt Lindstrom, Communications Specialist/Data Practices Responsible Authority
City of Minneapolis Communications Department
350 S. 5th St., Rm 301M
Minneapolis, MN 55415

I am requesting access to government data under the Minnesota Government Data Practices Act (Minnesota Statutes, Chapter 13). Through this request, I am seeking to inspect and/or copy public data created, produced, received, maintained or disseminated between the dates Jan. 1, 2013 and Dec. 15, 2015 related to the following:

- A breakdown of spending by the City of Minneapolis associated directly, or indirectly, with the Downtown East and Minnesota Vikings stadium projects in downtown Minneapolis. This would be monies outside, or in addition to, the city funding authorized by legislation to help construct the Vikings stadium project.
- Any and all correspondence generated or received by the City of Minneapolis associated with those projects.

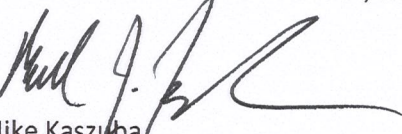

If responsive data are found, I would first like the opportunity to inspect such data, prior to identifying specific sub-sets of data to copy.

Please consider this letter a formal request for the indefinite retention of the requested data, pending the resolution of its status.

As required by section 13.03, Subd. 3(f) of the Minnesota Statutes, I am requesting that in the event that any portion of my request is not granted, you certify in writing that the request has been denied, and cite the specific statutory section, temporary classification, or other provision of law upon which the denial was based.

This request is made as part of news gathering, and is not for commercial use.

Please feel free to contact me with any questions or clarifications regarding the scope of this request. I can be reached at 651-556-1381, or by U.S. mail.
