Ron,

SP Number 2781-462 and SWIFT Project ID T9R568 are assigned the I-94 5th & 7th street ramp project in Minneapolis. Since the City is letting, will you be working with Julie (State Aid) or Phillip Bergem (Cooperative Agreements) on the agreement?

Nicole – SP 2781-462 is funded with TED funds and will be let by the city. PPMS is only reflecting the TED awarded amount (\$6,790,000). Please work with Ron Rauchle on a review only schedule.

Thanks,
Kha

Kha, here is the concept drawing for the City of Minneapolis TED project to reorient the westbound I-94 access to Mpls from 5th St to 7th St. as part of the new Vikings Stadium plan/project.

I hope this helps.

Thanks
Ron

lew Ramp to 7th St.
