We're scheduled to get the Mayor's final approval on the 30th. I can input into legistar the 1st so it's taken on the 9th instead.

Dana and Katie-

The budget adoption vote is scheduled for December 16 (includes all budgets and final levy).

It occurs to me that there is a budget vote coming up at the same time there is a vote on the agenda with the property tax exemption. Please loop Tonya in when needed. I need soccer to not get hung up on budget politics. Thanks
