Re: Request for data under the Minnesota Government Data Practice Act

Dear Mr. Ehling:

This letter replies to your October 28, 2016, request for certain correspondence between HMO Minnesota (d/b/a Blue Plus) and the Minnesota Department of Human Services (“DHS”) pursuant to the Minnesota Government Data Practices Act (“MGDPA”). For purposes of providing this response and without waiving any applicable objections to release of the information you request, we have conducted a review of our records and respond as follows to your request:

1. Any correspondence between Blue Plus and DHS that relates to audits (or requests for audits) regarding alleged overpayments or underpayments by the State that may have occurred during the calendar year 2008. You make reference to section 4.6.1 of DHS contract B06778.

We have reviewed our records and have identified no data responsive to this request.

2. The certification letter related to the 2008 Blue Plus financial filing (and all other correspondence related to this certification), as required by section 9.16.2 of DHS contract B06778.

We have reviewed our records and identified no data responsive to this request.

Therefore, Blue Plus has no public data responsive to your request. Blue Plus respectfully reserves all legal rights and remedies with respect to responding to this request.

Sincerely,
