CNN request - Wolf 1pm ET today?

Hi Mayor Laufenburger,

I'm with Wolf Blitzer's 1pm ET show here at CNN, aptly titled "Wolf," and wanted to touch base to see if you would be able to join us today in the 1pm ET hour to discuss the passing of Prince?

The interview will be live for about 5-6 minutes, one on one with Jim Sciutto who is filling in for Wolf today.

Please let me know if you can join us when you can.

All best,

Greg
