Sheriff Jim and ?Mayor Denny,

I just wanted to send a quick note to say what a tremendous job you and your teams have done with the Prince situation. I went over to Paisley Park myself and heard from others how well that situation was handled. We often take so much for granted, but the attention to the little details doesn't always go unnoticed. From the orderliness of traffic, friendliness of the deputies, to the availability of waste bins and porta potties, it seemed to be handled flawlessly. Of course, you both also did very well in the limelight of the press conference from what little I saw. Thank you for doing the community proud!

Denny, I hope we can find a way to create a lasting tribute to such a legend. Feel free to put my name on the list as help is needed. He was a tremendous asset for the community and the world, it would be nice to find an appropriate way to show our gratitude that such a tremendous global icon made our community his.

Have a great weekend!

Tim
