Just so you're aware – earlier Denny and I talked about how the city website isn't necessarily the appropriate place for this information. We will 'like', 'share', etc when Bremer or the management company posts the information, but we're not going to advertise their jobs.

Good Morning Mr. Mayor:

Attached and below is the job fair information we want to get out to the media asap. But, we don't want to send out until the City has posted. Can you tell me who to send to at the City?

Many thanks.

David
