Through this request, I am seeking to inspect and/or copy public data created, produced, received, maintained, or disseminated related to the following:

- All cease and desist letters issued by the Federal Aviation Administration for drone activity in Minnesota for the period Jan. 1, 2013 to the present.

Please consider this letter a formal request for the indefinite retention of the requested data, pending resolution or reclassification of its status.

I am requesting that in the event that any portion of this request is not granted, that your agency certify in writing that the request has been denied, and cite the specific statutory section, temporary classification, or other provision of law upon which the denial is based.

This request is made as part of news gathering, and is not for commercial use.

If you have questions regarding this request, I can be reached by:

Office phone at 651-556-1381, by cell at 651-200-9204, by U.S. postal service or atmkaszuba@publicrecordmedia.org.
