Hi Julie,

We are not able to supply data. We've been trying but our local system administrator says that due to years of MN's HMIS being poorly operated prior to our switch this year, our HMIS doesn't currently collect the bulk of the metrics being asked for and our lead ICA doesn't have any "canned" reports to pull the data we do have. We just don't have the actual data, regardless of format.

Sorry about that.

Hi Mikkel and Julia,

I hope you are doing well! I am just sending along a friendly reminder about today's deadline for the data analysis project. Don't hesitate to let us know if you have any questions or concerns about completing the template to the best of your team's ability for Minneapolis/Hennepin County.

Also, Julia, I am preparing the contact information list for meeting attendees– would you mind sending me your title, address, and phone number(s) for inclusion?

Thanks!

Julie

Julie,

This is wonderful news. And yes, my flight departs at 6:30 pm on the 9th.

Have a great holiday,

Julia

Excellent, that will work for the 7 pm reservation so I will put you down as a yes for dinner with the group both the 7th and the 8th. Also, do you still plan to depart at 6:30 on the 9th?

Thanks again,

Julie

Julie, I've booked my flight! My flight will land on December 7th at 5:39pm. If that won't work for the group's reservation, of course I'll understand and be eager to meet everyone on Thursday morning.

Best,

Julia

Julie, do you prefer to reimburse me directly versus reimbursing Hennepin County? Thank you.

Thanks Julia,

Yes, you can still join the meeting, and it would be great if you could book your flight as soon as possible. Once you book your flight and have a better sense of whether you'd be able to join the dinner on the 7th, it would be great if you could let me know.

Thanks!

Julie

Julie,

Hello! If you still have space for me (I see we've missed all of your generous deadlines), I've found a flight that would arrive in Vegas around 6 on the 7th, and depart at 6:30 on the 9th. I would participate in the evening meal on the 8th, as well as on the 7th if the timing works. I have no dietary restrictions.

Please let me know if I should go ahead with the reservation. I'll also be working with Mikkel to respond to your RRH data collection project.

Best,

Julia

Mikkel, thank you for letting us know, and it is not too late for us to cancel the hotel reservation. We will miss you at the meeting!

Also note that if you would like to send a staff member in your place, you are, as always, welcome to do so. If so, just let us know who will be coming and it would be great if they could book a flight and let us know their arrival and departure dates and any dietary restrictions.

All the best,

Julie

Hi Julie,

I'm afraid I will not be able to make the trip to Nevada after all. I'm so sorry. I trust it is not to cancel the hotel reservation.

Regrets!!
