Hey Hanna,
I'd be happy to talk about what's happening here. I've copied my colleague Lisa as well and will ask her to join in.

How does Friday Aug 14 at 2 pm CST work for you? it's about all I got next week for time...sigh.

Hi Mikkel,

I hope this finds you well! My name is Hanna Azemati and I'm an Assistant Director for the Government Performance Lab at the Harvard Kennedy School. I'm researching effective contracting models for homeless services and learned about the great work that Hennepin county has done in this area from the Urban Institute. My colleague Tyler Jaeckel recommended that we connect with you – I believe he met with you some time ago and found your insights very helpful.

Would you per chance be available for a call with us in the next week or so? We would greatly appreciate it!

Thank you and have a great weekend!
Hanna
