Hello Mike, Debra, and all,

Thanks for making us aware of this ongoing scheduling conflict in 2017.

I'll work with Todd to come up with another regular schedule for our group.

Again, thank you,
Allan

Allan,
I would suggest you could look at the last Monday of the month? You could have Todd Heintz help with finding free times if needed.

These meetings all conflict with the Access and Case Management Leadership team meetings. Mike, did you have thoughts about this? It includes Markus, Leah, Louella, Mike and me. Maybe I missed something by being late yesterday.
