activity - General membership meeting

Persons Recognized - During this meeting every  
member of the steering committee that I know  
was there. Also many other people deeply  
involved in movement.

Discussion -

Meeting rambled on as usual with much dis-  
cussion on very trite matters about new executive  
board and finally got down to important matters  
around 10:30 PM. V.D.C. policy, as it will  
state to Press, will be one of not encouraging  
burning of draft cards but certainly not dis-  
couraging. Marc Davidoff very strongly proposed  
that we make it a policy of the VDC to encourage  
the burning of draft cards. He was voted down  
by a slim margin. Terresa Sanders seems to be  
taking a more important role in activities now.
