Subject: HQ2 Site in Forest Lake

Good Morning Joel,

The City of Forest Lake and Washington County CDA are pleased to submit a 178-acre site for your consideration for the Amazon HQ2 RFI. Please find the attached matrix containing information of the site and location maps. The site is in close proximity to the Forest Lake Airport. It is located within 39 minutes to MSP International Airport and 30 miles to Minneapolis as identified by the basic requirements in the RFI. Please feel free to call or email me or Aaron Parrish (Forest Lake City Administrator) if you have any questions on the site or would like any additional information.

Thank you for your consideration!

Sincerely,  
Chris
