This is actually nicely written from my perspective. I think section 5 covers us for data practices purposes.

Jeff, great to hear from you. I think we have answered the below with MSP, but please see below.

Also, can you please sign our NDA? I have attached and we are requesting EDOs to please sign so we can answer questions efficiently. In the interest of time, I will go ahead and answer the below.

Let me know how else I can assist. Feel free to use my direct email also, but I would ask that it is not shared.

Thanks!  
Holly
